

Crystal enrolled in FSET in July 2019 with the goal of earning her GED. Crystal passed all of her tests on the first attempt! Crystal's last GED test was scheduled for April 2020, but it was cancelled due to COVID 19. Crystal was finally able to take her final GED test - Math in August 2020. FSET helped fund the 5 GED tests, a GED study book, and assisted with gas cards to get to the Mid-State Technical College study center and tests. During this year, Crystal also managed a full time job, parented 5 children under 18, quit smoking, got a new car, maintained sobriety for over two years, and was promoted to assistant manager at her job! In the future, Crystal plans to further her education and complete a college degree.
