

What is NCILP?

The NorthCentral Independent Living Program (NCILP) provides extended services and connects young adults to resources as they transition out of care and onto successful independent adults.

Who Can Take Part in NCILP?

To be eligible for NCILP you must be between the ages of 18 and 21 and have aged out of a court ordered out-of-home care placement such as kinship care or foster care.

NCILP empowers participants to take control of their lives and achieve lifelong success.
