

Service First Staffing has been committed to helping people achieve success since 2004. They provide both permanent and temporary staff to employers throughout Wisconsin. In addition to locations in Marshfield and Wisconsin Rapids, Service First has offices in Waupaca, Green Bay, Manitowoc, Milwaukee, and Racine-Kenosha.

They are dedicated to connecting job candidates to employers for direct hire placement, temp-to-hire employment, technical contracting, project-based assignment work, payroll services, executive recruitment, and temporary employment staffing. The mission of Service First Staffing is to “develop long-term partnerships with our clients to provide innovative, professional search services.” They are committed to matching a candidate’s needs to those of an employer, striving for a perfect fit between the two. They believe in relationships built on integrity, commitment and mutual trust. Their personalized service allows them to take the time to get to know each and every client by asking detailed questions and listening carefully to the needs of those they serve.

Service First Staffing has built their business on a commitment to their vast industry knowledge and continual high rate of producing successful results. They pride themselves on successfully matching outstanding talent with the opportunities employers send their way. Their professional and compassionate staff is key to their success not only in job placement but also in the communities they serve. Their strong willingness to go the extra mile for both employees and clients is unmatched.

Entry-level candidates as well as more experienced job seekers are encouraged to pursue the services of Service First Staffing. They place individuals in a variety of positions in skilled trades or in warehouse and production environments. Candidates can also find positions in the transportation field, in engineering and in management, in office and administrative environments, as well as positions in maintenance and food production.
